The Tournament will be run according to the IJF Contest Rules as modified by JNZ and in accordance with the JNZ Sporting Code.

## **8. WEIGH-IN INFORMATION:**

- An Unofficial weigh-in has been scheduled. Thereafter no tolerance is allowed during the Official weigh-in which will begin at the scheduled time and proceed as follows: The Division and Category will be announced. Only the players entered in the category and their Coach or Manager will be allowed in the weigh-in room.
- The player's name will be called and he/she will present him/herself for weigh-in immediately. Any player not available when called by the weigh-in official shall be deleted from the draw and forfeit their entry.
- For Junior, Senior and Masters weigh-ins, competitors may wear a maximum of tee shirt, underwear and Judogi trousers but may remove any or all of the clothing before weighing in. If the Officials are not satisfied that the intent of the weigh-in is complied with however, they may require removal of part or all of the player's clothing before recording an official weight.
- For Junior Boys and Girls, Senior Boys and Girls and Cadets weigh-ins, competitors are NOT allowed to remove their underclothing. To compensate an additional 100 grams will be allowed, ie for the category - 60 kg the limit will be 60.1 kg. Where a cadet is weighing in for multiple age groups including cadets, the rules as for cadets will carry through into the weight recorded as for the other age group. Where a cadet aged competitor is weighing in only for a higher age group (ie no cadet division or choosing not to compete in the cadet division) then the rules for the higher age group will apply..
- A player will have only ONE official weight recorded for a day's competition, irrespective of how many categories they are participating in. All contestants, must have an official weight recorded at the official weigh-in.
- A weigh-in is completed, when the Weigh-in Official instructs the player to step off the scales.

- Contestants in individual weight categories who cannot come within the requirements at the official weigh-in shall be disqualified from that category, but these players may have their name entered into the appropriate category for their weight on payment of the Administration Weight Change fee.

For 3 or 4 or players: Round Robin

For 5 players: The competitors shall be seeded into 2 pools. The winner of each pool shall fight in the final for the gold and silver. The second place getter from each pool shall fight for the bronze

For 6 or more players: An elimination (knock-out) system will be used to produce two finalists. (Gold and silver medallists) All competitors defeated in the main pool are placed in the second pool where an elimination (knock-out) system will be used to produce two equal Bronze medallists.

Should, however, such an individual player, club or team sponsor be likely to conflict with an JNZ sponsor, then no such logo may be displayed in the competition venue.
- c) Individual sponsor or Club logos may not exceed 100 square centimetres in total and only one sponsors logo may be worn on the Judogi at any one time.
